### Roadwork to begin in Molokoa Subdivision on May 13

LĪHU'E – The Department of Public Works is announcing that GP Maintenance Solutions will conducting roadwork in the Moloka Subdivision in Līhu'e on May 13 from 7:30 a.m. to 6 p.m.

The scope of work consists of removing stop bars, sealing of cracks, and weed control.

Temporary stop bars will be installed in preparation for the upcoming seal coating work. Roads will remain open, but sections at a time of the road lanes will be temporarily closed in order to accommodate the roadwork.

Please refer to the red marked sections of the attached map for roads that will be affected.

Be on the lookout for road work ahead signs as this is a good indication of the work being done in your area and to ensure the safety of the road workers. Please make the appropriate arrangements to accommodate the temporary closures.

For questions regarding this project, please contact John Kerston of GP Maintenance Solutions at 808-864-0323.
